AFA Milton & Phyllis Berg Respite Care Grant

As a nonprofit member organization of the Alzheimer’s Foundation of America (AFA), you are entitled to apply for funding through AFA’s grant program, including the Family Respite Care Grants.

About the Respite Grant
As the incidence of Alzheimer's disease and related dementias increases nationally, the majority of care provided to people with the disease is by unpaid family members. Research indicates that these responsibilities increase the risk of illness and mortality for the caregiver, and earlier institutionalization for the person living with dementia.

AFA created the Family Respite Care Grants in response to this demand for relief. The Milton & Phyllis Berg Respite Care Grant was named in honor deceased parents of Barry E. Berg, a member of AFA’s board of trustees.

These grants will provide scholarships to qualified families in need of respite services. They must have a loved one with a diagnosis of Alzheimer’s disease or related dementia. Respite services include social model adult day care programs, in-home aides, companion care, overnight respite, etc.

How many clients can each organization assist through the Family Respite Care Grant?
In each grant cycle, an organization may receive funding of up to $5,000 to assist clients. The organization can decide how many scholarships it will award with the grant monies based on the unique needs of its clients.

What is AFA looking for in a Family Respite Care Grant proposal?
Grant eligibility is open to any AFA nonprofit member organization in good standing (membership dues must be paid up-to-date). AFA seeks to provide grant funding to organizations that have limited funding to provide scholarships sufficient to meet community demand that serve clients with the greatest need for respite services as determined by their selection criteria.

Evaluation is based on:
• Community Need: Proposals must clearly and effectively be explained based on local demographic information about the incidence of dementia, socioeconomic status, and the availability of other dementia specific are resources.
• Program Requirements: All potential scholarship recipients have a diagnosis of dementia and have a financial need for funding.
• Other Funding: Clearly identify other funding sources for respite care scholarships.
• Organizations Strength: Clearly explain your organization’s strength as a respite service (in-house or at another agency), with evidence of program outcomes and “best practices.”
• Program Budget: Evidence that organization’s budget is being utilized effectively to meet the needs of current clients and that awarded funds will be utilized efficiently.
Who reviews the Family Respite Care Grant proposals?
Bi-Annual grant proposals are reviewed by of AFA’s staff.

How is scoring determined?
Each of the criteria above will be scored on a scale of 1-5, 1 being the lowest possible score and 5 being the highest possible score. Since there are five criteria, proposals can receive a maximum total score of 25 from each grant reviewer. Final scores are determined by averaging each grant reviewer’s total score. If denied, AFA will mail a letter to your organization. If awarded, AFA will call your organization directly. Funding from AFA must be allocated within the 6 month period of receiving the grant.
